What the Symbols Mean

For two thousand years Christians have painted, carved and stitched these signs. Each one tells something about Christ, his Passion or his Church. Color them, then find them in the great paintings.

1. Chi Rho. The first two Greek letters of Christ, with Alpha and Omega: Christ, the beginning and the end.

2. Ichthys, the Fish. In Greek, the letters of the fish spell Jesus Christ, Son of God, Saviour.

3. Anchor. Hope, "an anchor of the soul, both sure and steadfast" (Hebrews 6:19).

4. Lamb of God. Christ, who takes away the sin of the world (John 1:29).

5. Pelican. Christ, who feeds his children with his own blood.

6. Dove. The Holy Spirit, who came down at the baptism of Jesus.

7. Peacock. Immortality and the Resurrection.

8. Triquetra. The Holy Trinity: three Persons, one God.

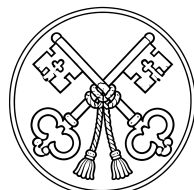

9. Crown of Thorns and Nails. The Passion of Christ.

10. Sacred Heart. The burning love of Jesus for every person.

11. Chalice, Wheat and Grapes. The Eucharist, the Body and Blood of Christ.

12. Keys of Saint Peter. "I will give unto thee the keys of the kingdom of heaven" (Matthew 16:19).
