

Prayer to Saint Cecilia, Patroness of Musicians

Dear Saint Cecilia, while the music played at your wedding feast, you sang in your heart to the Lord alone.

Obtain for all musicians, singers, and composers the grace to make of their art a prayer, and of their talent an offering.

When we perform, keep us from vanity; when we fail, keep us from discouragement; and in every melody, help us hear an echo of the music of heaven.

Saint Cecilia, virgin and martyr, patroness of music, pray for us.

Amen.
